Maryann spoke about the issues with certification.

The finger printing takes an average of about 2 weeks to get an appointment and 10 days to get the results.

All leagues are having trouble getting coaches

We need to explore an alternate system to expedite coaches approval

Background checks vs finger printing explore the pros and cons

Maryann is working on a new data base format

The one suggestion is to add a background check for to community pass

The next coach's class will be held May 25th at the Senior Center+

There was a discussion about whether the team mothers requirements can be modified

Girls Softball:

Maryann brought up an issue between DGS and Xfactor for summer travel

DGS does not have an issue with Xfactors they believe both programs could co-exist. The issue is with e-mails that were sent by an Xfactor coach to the parents on the 10u team

The commission felt that the content of the 2 E-mails were threatening and negative towards DGS.

The commission decided to have that coach come in and speak to them

Cesare made a motion to adjourn the meeting 2nd by Maryann roll call taken motion carried
