A Message From The Mayor

My Fellow Residents of Dumont,

2022 was a tremendous year for us here in the Borough of Dumont. Our comprehensive road resurfacing program was one of the largest in decades. We completed multiple park projects, creating a brand new park at Gina's Field and Dervitz Park and revitalizing the Veterans Memorial Park playground and basketball courts. We also installed a new softball field and upgrades at Twin-Boro field to provide our young female athletes the home they deserve. Also, we increased our community and senior events bringing us together to celebrate our town.

We are a close-knit community filled with generous and loving people who genuinely care for one another - one big family. Thank you to our residents, volunteers, local places of worship, charitable organizations, and community leaders for your extensive efforts in helping those in need. Our community's civic involvement and the ability for us to work together is what truly makes our town great.

Thank you to our Recreation Department, sports organizations, coaches, and community organizations for teaching our youth about teamwork and preparing them to become our future leaders. Thank our Senior Center and Senior Services for providing our senior community with robust activity programs and the necessary transportation for daily activities.

Public Safety and Quality of Life issues are always a top priority. Thank you to our devoted Police Department, Fire Department, Ambulance Corps, and Department of Public Works for ensuring our community is safe and well-maintained. To our administrative employees at Borough Hall, your hard work to ensure our daily operations run smoothly is much appreciated.

Our calendar will provide you with important dates in our town and information about our commissions, committees, and programs. We have also listed essential phone numbers throughout the Borough. Please remember, if you have an emergency: DIAL 911!

I wish you all a very safe and joyful Holiday Season and a Happy and Healthy New Year! Peace, love, and prosperity.

Mayor Andrew LaBruno

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day To Protect Our Water

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer
- Do not apply fertilizer if heavy rain is predicted
- Look into alternatives for pesticides
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizer and pesticides, follow the instructions on the label on how to correctly apply it.

Properly use and dispose of hazard productions

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
