The New Jersey Office of Emergency Management has issued Administrative Order 2020-15 which permits Yard Sales and Garage Sales to resume.

The Borough of Dumont requires a permit for all Yard Sales and Garage Sales. All fees related to the permit are suspended for the remainder of the year. The Borough also requires a Public Notice in three locations on the private property hosting the Yard or Garage Sale. You may obtain a copy of the approved public notice from the Borough of Dumont website. If you are unable to download or print this public notice, please contact The Dumont Building Department at 201-387-5029 or email wpaige@dumontboro.org and a copy will be made available to you for pick up by appointment only.

You are required to follow all current State of New Jersey Executive Orders and regulations during the COVID-19 public health crisis. Additionally, the following guidelines must be followed:

1. Face masks are required and must be worn by those holding the sale and those visiting.
2. There should be frequent washing or wiping of surfaces and hands.
3. Where possible, maintaining at least six feet of social distance.
4. Contact should be limited to nothing more than the point of sale and exchange of money.
